Dear Supplier:

Southern California Institute of Food Technologists invites you to participate in the 2026 SCIFTS Suppliers Night Expo. Our upcoming Suppliers Night Expo is, once again, being held at the **Hyatt Regency Orange County on Tuesday, March 3, 2026**. This evening is designed to benefit our SCIFTS organization, the local University Food Science Programs and our food science students.

As always, we are co-located with Informa's Natural Products Expo. NPE education starts on the 3<sup>rd</sup> and the displays and booths open on the 4<sup>th</sup>. Many of the NPE exhibitors are in town on the 3<sup>rd</sup>. Their agendas are usually open on Tuesday evening, allowing them to walk our Expo.

The Southern California IFT Suppliers Night Expo is an active, vibrant show that provides an audience of exceptional quality for our Exhibitors and produces quality contacts. We bring real decision makers to the exhibit floor. We are planning another very aggressive marketing program as we try to increase your return on investment. In addition to being the industry show where professionals in the Western states go to discover the latest ingredients and new concepts, we pursue those customers and markets our exhibitors wish to see. **Our primary goal is to make you successful as a vendor.**

Due to size constraints, the number of available vendor tabletops is limited. Vendors are assigned tabletops on a First Come, First Serve basis.

**Last year, we sold out by December.** Our last Suppliers Night had a waiting list of over 50 companies. To ensure your company a spot, we suggest you purchase your tabletop as soon as possible. Included with this email is the Exhibitor Registration package. Please return the registration form with your check or sign up on-line as soon as possible.

With the purchase of a tabletop, you will receive a free listing in our "Buyer's Guide" show booklet. The Expo Buyer's Guide is sent to all local buyers, distributed to our membership, is made available to all Expo attendees and posted on our organization's website – located at [www.scifts.net](http://www.scifts.net) – for a full year following the event. To be listed in the Buyer's Guide, your paid reservation must be received no later than January 16, 2026. The Buyer's Guide will be a finished size of 8 ½ x 11. Early registrants will also have first option of purchasing valuable ad space in the Buyer's Guide.

We attempt to separate competitors but that is difficult in the space we currently have available. **No table space will be assigned without payment.**

We appreciate your participation and look forward to seeing you at SCIFTS 2026 Suppliers Night Expo!

Sincerely yours,

Dan Rosson  
SCIFTS Suppliers Night Expo Chairman

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

**Purpose of Form**

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

**U.S. person.** Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

**Note:** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Foreign person.** If you are a foreign person, use the appropriate Form W-8 (see **Pub. 515**, Withholding of Tax on Nonresident Aliens and Foreign Entities).

**Nonresident alien who becomes a resident alien.**

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.
